MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Saturday morning, May 15, 1976. The meeting was called to order by President Louie Martin at 9:00, with Board members Arthur Hawkins, Denval Barriger, Eldon Davidson, Jack Fultz, Cecil Reid, George Sauer, Gene Sell, Frank Simpson and Ray Story; Acting Commissioner Tom Mills and Assistant Commissioners Louis Stout and Billy V. Wise present. Also in attendance were Mr. Conley Manning of the State Department of Education, Darrell Wells of the State School Boards Association and Board attorney Calvert T. Roszell. The invocation was given by Frank Simpson.

Ray Story moved, seconded by Arthur Hawkins that the reading of the minutes of the April 15th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

Prin. Pat Crawford and Ath. Dir. Jim Ruether came before the Board to request that Ballard High School be given permission to invite two out-of-state basketball teams to participate against Ballard High School and another Kentucky team, to be named later, in Freedom Hall, Louisville on December 21, 1976. These games would be known as the Stewart Kentucky Basketball Classic. Following their presentation and a discussion by members of the Board, George Sauer moved, seconded by Denval Barriger that approval of the Stewart Kentucky Basketball Classic be given on a one year basis, contingent upon the complete approval of the National Federation of State High School Associations. In the event that approval of the National Federation is received, permission to have future Stewart Kentucky Basketball Classics must be submitted to the Kentucky High School Athletic Association for approval or disapproval. The action carried unanimously.

Prin. Warren Featherston, Tates Creek High School, came before the Board to request that they consider K.H.S.A.A. sponsored competition in table tennis. Mr. Featherston presented results of a recent tournament held at Corbin High School and explained that many high schools were represented. Accompanying Mr. Featherston were several students who participated in this tournament and each one spoke in favor of the request. Following the presentation, Mr. Mills was instructed to poll the member schools to determine the amount of interest in this sport. President Martin informed Mr. Featherston that if sufficient interest were shown, the Board would consider sponsoring the sport.

Mr. Mills requested that the Board consider setting a financial allowance for those schools participating in the Girls' State Basketball Tournament. Following a financial report on the Tournament, Gene Sell moved, seconded by George Sauer, that each participating school receive an allowance of $200.00 each. All members voted aye.

Attention, Principals and Superintendents!

Each principal and superintendent will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association. This will introduce (name of principal or superintendent), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to he ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Minutes of Board Meeting
June 11, 1976

The Board of Control of the Kentucky High School Athletic Association met in Louisville, Kentucky, on Friday, June 11, 1976. The meeting was called to order at 2:00 P.M. by President Louie Martin. Present were Board members Denval Barriger, Eldon Davidson, Andew J. Fultz, Cecil Reid, George Sauer, Gene Sell, Frank B. Simpson, Ray Story and Arthur Hawkins. Mr. Darrell Wells was present representing the State School Boards Association. The invocation was given by George Sauer.

Jack Fultz moved, seconded by Eldon Davidson, that the reading of the minutes of the May meeting be waived since members of the Board had received copies in the mail. The motion was carried unanimously.

A delegation of football coaches came before the Board to discuss the recent change in By-Law 27, which eliminated spring football practice. Following the presentation by Coach Wilson Sears and a lengthly discussion, it was requested that the group present their suggestions on regulations and restrictions of off-season football programs to the Commissioner prior to the July Board Meeting. President Martin assured the group that the topic will be discussed at the next Board meeting and that guidelines will be formulated at that time.

The Board then heard a request from Principal Arthur K. Draut, Waggener High School and Principal Irvin Rice, Westport High School, that the Board reconsider their decision to change soccer from a spring to a fall sport. Following their presentation, it was pointed out that of the twenty-four schools sponsoring a soccer eam, twelve of these requested soccer be changed to a fall sport and twelve requested that it remain a spring sport. At this point Ray Story moved, seconded by Eldon Davidson, that the K.H.S.A.A. not sponsor a state championship playoff in soccer ber schools be given the option of conducting the during the 1976-77 school year and that the member schools be given the option of conducting the sport in either season. The motion carried unanimously.

Mr. Mills presented the results of the recent opinion poll on the classification of basketball. He stated that of those responding to the poll, 128 members favored the present plan while 114 members were in favor of classification into either 2, 3 or 4 classes. Eighty-one member schools did not respond to the poll. The results were turned over to the Basketball Committee for study and recommendations.

President Martin requested that the Board go into executive session for discussion of salaries for the administrative staff and secretaries. At the conclusion of the session, Frank Simpson moved, seconded by Gene Sell that the salary of Commissioner Tom Mills be set at $27,000.00; that the salaries of Assistant Commissioners Wise and Stout be set respectively at $22,000.00 and $19,500.00; and the secretaries receive an eight percent increase in their salaries. The motion passed unanimously.

The next item on the agenda was the consideration of applicants for an additional member of the K.H.S.A.A. administrative staff, this to be a person who would assume on July 1, 1976, the duties of Assistant Commissioner. Commissioner Mills reviewed with the members of the Board the qualifications of thirteen persons who had applied for the position. After a considerable discussion concerning the qualifications of the applicants Ray Story moved, seconded by Gene Sell, that Dianne Caines be elected to the position of Assistant Commissioner for a two year period, beginning July 1, 1976, her annual salary to be $17,000.00. The motion carried by a vote of 9-1.

Jack Fultz moved, seconded by Cecil Reid, that all bills of the Association for the period beginning May 1, 1976, and ending May 31, 1976, be allowed. The motion was carried unanimously.

The Board set July 30, 1976, as the date for its next meeting.

There being no further business, the meeting was adjourned.

Board Minutes — May 15, 1976

(Continued from Page Five)

on leave of absence with full compensation effective December 1, 1975, through November 30, 1976. In the event that during this time Mr. Mansfield's health improves to the point where he is able to assume all of the duties of the Commissioner, he be re-assigned to this position. Further, the Committee recommends that the Board of Control act on naming a new Commissioner immediately. Mr. Story moved that the recommendation of the Committee be adopted. Gene Sell seconded the motion and it passed unanimously.

Gene Sell made the motion that effective May 15, 1976, Tom Mills be employed as Commissioner of the Kentucky High School Athletic Association for a period of four years with the provision that if Mr. Mansfield's health improves during the period of his approved leave of absence to the point where he is able to assume all of the duties of the Commissioner, he will return to this position and Mr. Mills would become the Administrative Assistant. The salary shall be the present salary of the Commissioner as shown on the 1975-76 salary schedule, prorated over the period of May 15 through June 30, 1976. Arthur Hawkins seconded the motion and it passed unanimously.

President Martin stated that the business of the executive meeting was over and requested that Mr. Mills, Mr. Stout and Mr. Wise return to the meeting. Mr. Mills was informed of the decision of the Board and he accepted the provisions of the contract.

Assistant Commissioner Wise presented the results of the opinion poll taken on the standardization of officials fees in football, basketball and baseball for the 1976-77 school year. Based upon the information presented by Mr. Wise, George Sauer made the motion that the fee of $25.00 be set for varsity football and basketball officials with a 10¢ travel allowance per crew in football for all mileage over 50 miles and a 10¢ travel allowance per team in basketball for all mileage over 50 miles unless both officials are forced to drive because of their location. The fee for baseball officials shall be $15.00 per game per official for single games and $22.50 per official for double headers. The allowance for travel shall be the same as for basketball officials. The fee for junior varsity officials in football and basketball shall be a maximum of $12.50 per official per game. The motion was seconded by Denval Barriger. Seven members voted in favor of the motion with Cecil Reid and Jack Fultz opposing it and Ray Story abstaining.

Following a discussion of the date and site for the 1976 football championship games, Jack Fultz moved, seconded by Gene Sell that the finals of Class A and AA be played on November 26, the AAA on November 27, and the AAAA on December 4, and they all be played in Lexington. The motion passed unanimously.

Ray Story moved that Evangel High School be placed in Basketball District 21, Region 6, for the 1976-77 school year. George Sauer seconded the motion and all members voted aye.

Mr. Mills reported that several principals of member schools who sponsor soccer had requested that it be changed from a spring to a fall sport. Following a lengthy discussion, George Sauer made the motion that the request be approved. Denval Barriger seconded the motion and it passed unanimously.

Mr. Mills presented a letter from Bowling Green High School requesting that By-Law 4, Age, be waived in the case of Tim Riggs. Tim will not be eligible to participate in spring sports during his senior year since he will become 19 years of age in January. After hearing the facts, Cecil Reid moved that By-Law 4 not be waived in this case. Eldon Davidson seconded the motion and it passed by a vote of 9-1. Denval Barriger opposed the motion.

The next meeting date for the Board was scheduled for 2:00 P.M., Friday, June 11, 1976, at Stouffers' Inn, Louisville.

Jack Fultz moved, seconded by Arthur Hawkins, that all bills of the Association for the period of May 1, 1976, through May 31, 1976, be allowed. All members voted aye.

There being no further business, the meeting adjourned.

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that it is properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our COOPERATIVE FOOTBALL PLAN and Student Insurance provide excellent coverage, service and economy.

Kentucky High School Athletic Association

VOL. XXXIX SEPTEMBER, 1976 $1.00 Per Year

IN MEMORIAM

Joe Billy Mansfield

Joe Billy Mansfield, former Commissioner of the Kentucky High School Athletic Association, died in Lexington on August 21. Mr. Mansfield had served the K.H.S.A.A. for twenty-three years as assistant commissioner before he became commissioner in 1972. He held this post until last December when he was given a medical leave of absence after undergoing surgery for a brain tumor.

Mr. Mansfield was a graduate of the Horse Cave High School and Western Kentucky State College. A former all-state tournament high school basketball player, he was named assistant basketball coach at Horse Cave in 1937 where he served in this capacity for three years. He was later principal and head coach at Horse Cave for the same period of time. When he joined the K.H.S.A.A. staff in 1949, he had been superintendent at Cave City for six years, during five of which he had coached basketball. He resigned membership on the Board of Control when he became assistant commissioner. He had been a registered basketball official for seven years, working in numerous district, regional, county and conference tournaments.

Surviving Mr. Mansfield are his wife, the former Cordelia (Deal) Eggen of Louisville; three daughters, Mrs. Gail Toye of Lexington, Mrs. Jo Deal Allen of Atlanta and Laura Jayne, a senior at Tates Creek High School; a son, Charley Bill, a junior at Western Kentucky University; a sister, Mrs. Margaret Greer of Morgantown; a brother, Lawrence Charles Mansfield of Hardyville; and five grandchildren.

Retired Commissioner Ted Sanford had the following comments to make concerning the services of Joe Billy Mansfield to the Kentucky High School Athletic Association:

"In a letter to the commissioner, accepting his new position of assistant commissioner, Joe Billy wrote:

'The K.H.S.A.A. has merited a place of honor among the associations with which it is affiliated. During the past years it has taken a place near the top of this group because of its continued growth and accomplishments in promoting the athletic program and because of the continually mounting services it renders. It is indeed a challenge as well as an honor to become a part of this organization and be associated with its continued advancement.

'The K.H.S.A.A. with its past records and future plans is a tribute to the school men of Kentucky and to the officers and directors whom these school men have named to carry on the affairs of the association.

'In assuming the duties of Assistant Commissioner, I do so with the hope that I may perform a satisfactory service to the Association. I pledge my efforts to the advancement of the K.H.S.A.A. and the program outlined by our member schools, our Board of Control, and the Commissioner.'

"School administrators, athletic directors, coaches and officials know how very admirably Mr. Mansfield measured up to this pledge.

"Joe Billy came to the association staff when the state office was in need of additional manpower. Attendance at the state basketball tournament had increased at a phenomenal rate. The registration and training of football and basketball officials had started in 1938, but this service of the association needed more direct supervision. State meets and tournaments for boys in track, swimming, tennis, golf and baseball had been a part of the KHSAA program for many years. An increasing number of entries in these sports meant more problems.

"To be added soon would be state championships in cross country, football, girls' track, and gymnastics for both boys and girls. Although association rules provide that the commissioner shall 'conduct the management of all state tournaments.' the tremendous amount of work connected with these championships made it necessary for Mr. Mansfield to manage many of these by delegated authority. After he became commissioner in 1972, he presided over championships in soccer and fencing, and in the revival of girls' basketball at the state level.

"Joe Billy was a fine public relations man for the KHSAA. His sense of humor was outstanding. He accepted all of the tasks to which he was assigned, and they were many, without complaining. He was capable and efficient. He was a good friend whom we will all miss.

"Grantland Rice in his beautiful poem, The Record, closes with these words which remind us of Billy Joe:

> 'Yet the game is done when the sun sinks low
> and one by one from the field they go;
> Their day has passed through the twilight gates,
> But the scroll is cast and the record waits,
> So take, my lad, what the Great Game gives,
> For all men die—but the record lives.' "

However, those schools involved in the playoff for the State Championship may continue practice until they are either defeated or the playoff ends, whichever occurs first.

The motion carried by a vote of 6-3, with Board members George Sauer, Cecil Reid and Denval Barriger voting against the motion.

Commissioner Mills was instructed by the Basketball Committee to inform the member schools of the result of the opinion poll taken on classification in basketball. A majority of the schools voted in favor of the present playoff system.

President Sauer appointed Ray Story, Norman Passmore and Louis Stout to serve as a committee to study the present wrestling program and report to the Board recommendations for needed changes.

Jack Burkich moved, seconded by Norman Passmore, that in order for an item of business to be brought before the Board in the future the request must be presented to the Commissioner at least ten days prior to the date of the meeting. This requirement could be waived by the Commissioner if he deems the request an emergency. All members vote aye.

Cecil Reid moved, seconded by Norman Passmore that all bills of the Association beginning June 1, 1976, and ending June 30, 1976, be allowed. The motion was carried unanimously.

The date for the next scheduled meeting of the Board of Control was scheduled for Saturday, October 2, 1976, at 8:00 A.M. in Lexington.

There being no further business, the meeting adjourned.

(Continued in October ATHLETE)

Lexington , Kentucky
April 16, 1976

Dear Principal:

At the April 15, 1976 meeting, the K.H.S.A.A. Board of Control voted to continue to provide catastrophe injury insurance for all high school athletes for 1976-77.

Briefly stated, the K.H.S.A.A. catastrophe plan contains the following provisions:

1. $1,000 deductible clause;
2. Up to $25,000 in medical benefits per injury (after the deductible has been satisfied and after the benefits from all other insurance has been considered);
3. Coverage for students engaging in, practicing for, or traveling to or from, all activities under the jurisdiction of the K.H.S.A.A. and the direct supervision of a school employee;
4. Coverage for all registered officials of the K.H.S.A.A., while officiating, or traveling to or from the game they are to officiate;
5. Coverage for medical expense incurred within two years following the date of injury;
6. The deductible is eliminated for injuries sustained during a state series of tournaments or meets.

The plan is underwritten by Sentry Life Insurance Company and is administered by Doug Ruedlinger, Inc. If you desire additional information, we suggest you write our catastrophe insurance consultant, Mr. Doug Ruedlinger, P. O. Box 65, Topeka, Kansas 66601, or call him toll free, 1-800-255-2400.

Several plans are available to supplement the K.H.S.A.A. catastrophe program. The K.H.S.A.A. Board of Control does not sponsor, recommend, or require any school system to purchase or make available any type of athletic insurance within their school district.

Sincerely,

Tom Mills

The Sport of Table Tennis

Table tennis, on a world level, is second in popularity only to soccer, according to a recent Neilson rating poll.

Here, in our country, it is played by over 35,000,000 people, mainly as a basement or rec room "fun game".

The past four years has seen a steady growth in interest as a sport, requiring quick reflexes, good eye-hand coordination, fast footwork, and top physical condition.

Ever since the advent of the "Ping Pong Diplomacy" of 1972, the sport has received the publicity it deserves.

The Central Kentucky area has, in recent years, seen several outstanding events, organized and promoted by the Lexington Table Tennis Club. This organization, sponsored by the Lexington-Fayette Urban-County Recreation and Parks Department, has sponsored several tournaments, on both local and state levels. The 1975 Kentucky Closed Table Tennis Championships had 125 entries from every part of the state.

The Lexington program is beng developed along several lines:

1. The Lexington Table Tennis Club works with the Recreation Department in operating several groups on a community level.
2. The University of Kentucky Table Tennis Club was recently organized as a recognized campus group. A Transylvania group is being formed.
3. A church league is now in the planning stages.
4. Several junior and senior high schools have started table tennis programs, with much interest shown by the students.

In April of this year, the first Kentucky High School Championship Tournament was held in Corbin, Ky., and was sponsored by the Corbin Optimist Club and the Lexington Table Tennis Club. The tourney hosted teams from fifteen high schools. Tates Creek High School won the first place trophy as the state champions. We hope to hold this event annually.

This year, the fourth Kentucky Closed Table Tennis Championships will take place in Lexington on November 20 and 21. Several junior events, for boys and girls of school age, are planned.

A newly added feature will be a two-person team event. Teams may consist of two girls, two boys or mixed. Events will include both singles and doubles.

WRESTLING

COMMENTS ON THE 1976-77 RULES REVISIONS

Date for PART II of the Wrestling Examination: MONDAY, DECEMBER 6, 1976.

Rule 4-3-6: Expands restriction of heat devices: The change adds hot showers and whirlpool baths to the list of heat devices which are prohibited for weight reduction purposes. Previously, sweat boxes and other similar devices, including steam rooms and saunas, were prohibited. It is now clear the use of sweat boxes, hot showers, whirlpool baths or similar artificial heat devices for weight reduction purposes is prohibited. **Reason for change:** The purpose of the revision is to diminish the danger to competitors' health through the use of artificial devices to "sweat out" or "dry out" in order to make weight. Such procedures may prove very damaging to wrestlers. The use of such devices may actually sap the strength of the competitor making him less effective. Coaches are also cautioned against having wrestlers use vinyls during practice or for running. To do so, may disturb the body's cooling process which may be harmful to a wrestlers health. A controlled weight reduction program over a long period of time should be followed.

Rule 4-4-4: Provides weight allowance: The revision provides for an additional 1-pound allowance in each weight class for dual meet competition which is conducted on successive days, provided it is through state association adoption. The change applies only to competition conducted on successive days. There is a maximum of 1-pound allowance to which both teams are entitled. **Reason for change:** The change was made to permit competitors, who are wrestling on consecutive days, to eat without having to be extremely concerned about their weight. Individuals who are away from home often have difficulty in maintaining a diet to which they are accustomed. The revision corresponds to the weight allowance for the second and succeeding days of a tournament.

Rule 7-1-1: Clarifies slams: A slam is lifting and returning an opponent to the mat with unnecessary force. **All slams are illegal** whether the act is inadvertent or purposeful. When a wrestler lifts his opponent off the mat, he is responsible for his safe return. This is regardless of whether the competitor lifting the man is in the defensive, neutral or offensive position. When a competitor is off the mat, he is in an unprotected position and is susceptible to possible injury if dropped or if returned to the mat with force. **Reason for change:** The purpose of the revision is to protect wrestlers against acts which may injure them. Wrestling is a sport in which the victor is determined by whether he is able to out perform his opponent rather than whether he can injure him. It has a low incidence of injury primarily because the rules are constructed to penalize such illegal acts.

Rule 7-1-5: Classifies neck wrench as illegal: The neck wrench consists of grasping the opponent's chin and pulling it so the neck is twisted. There are a number of situations in which a wrestler grasps his opponent's chin in order to neutralize an offensive move. **Grasping the opponent's** chin is not in itself a violation. However when the chin is pulled, thus twisting the neck, it constitutes an illegal hold. Twisting the neck in this manner is forcing it beyond normal limits which is illegal. **Reason for change:** The change is designed to eliminate a tactic which has resulted in injury to competitor's cervical vertebrae. In spite of all exercises designed to strengthen the neck, tests reveal the muscles in this area of the human body cannot be strengthened sufficiently to prevent motion which may be damaging. **Injury to this area is often very serious and should** be eliminated if possible. Declaring the neck wrench an illegal hold is a move in this direction.

Rule7-1-7: Limits holds restricting circulation: Any hold with which pressure is exerted over the opponent's mouth, nose or throat, or which restricts breathing or circulation is illegal. Holds around the head or neck which are otherwise legal but which tend to restrict circulation of the blood in this area are illegal. **Reason for change:** This revision was made to protect competitors from holds which may cause permanent damage or serious injury. Such holds are for forcing opponents into submission rather than using effective techniques to out perform him. It is in the interest of protecting the health and welfare of competitors this change was adopted.

Rule 7-6-2: Eliminates verbal caution: The leniency extended by the 1975 rules committee, permitting a verbal caution prior to the signaled caution for a false start or for assuming an incorrect position has been eliminated. Because the starting position on the mat for both wrestlers is basic to the sport and the rule book is specific **in defining the proper position for each wrestler,** there seems to be no need for additional leniency prior to penalizing for a violation. With the change, a wrestler may receive a caution once during the entire match for assuming an incorrect starting **position or for making false starts. One cautioned,** any subsequent violation results in penalty for delay of match. **Reason for change:** The change was made because the additional leniency was resulting in abuse of the rule. It simply postponed penalizing a a wrestler for an obvious violation. The use of the caution applies only when the wrestlers are in the starting position on the mat. Other delaying tactics such as straggling back from out-of-bounds, unnecessarily adjusting equipment or failing to assume the starting position when instructed to do so by the referee are technical violations which will be penalized without caution.

Rule 7-7-2: Clarifies stalling in the neutral position: The change eliminates the caution preceeding the warning to a wrestler for playing the edge of the mat in the neutral position. It brings to four the specific maneuvers which constitute stalling when wrestlers are in the neutral position. They are (a) avoiding contact; (b) playing the edge of the mat; (c) stepping on or outside the boundry other than when attempting a takedown **or when aggressively avoiding or resisting a take**down attempt; and (d) forcing the opponent out-of-bounds or preventing him from returning from out-of-bounds to the wrestling area. Stalling in the neutral position is to be penalized without hesitation. **Reason for change:** The use of the caution to precede a warning for stalling because a wrestler was playing the edge proved to be unworkable. With the revision, both wrestlers know they will be warned or penalized whenever they use this maneuver as a means of avoiding wrestling. Administering the rules with the change will keep the action moving.

Rule 9-2-2a: Provides for scoring byes: The change clarifies there are no points awarded for advancement because of a bye in the consolation round. When a wrestler draws a bye in the first round of tournament competition, he will be awarded two advancement points if he wins his next round match. If he loses the next round match, there are no points awarded for advancement because of the bye. **Reason for change:** The purpose of the revision is to explain there can be no advancement points awarded a wrestler because of his advancing due to a bye in the consolation round. This is regardless of whether he wins his next round match.

Rule 10-2-6: Modifies forfeit: A forfeit during tournament competition will eliminate a contestant from further participation in the tournament in progress. This is true in all cases, except when a wrestler so injured he should not compete in his next round match. If this were for a scoring place, he should not be denied the opportunity to place in the tournament and score points for his team. In the past, in order to accomplish this, injured wrestlers have dressed and appeared on the mat only to default as soon as the whistle was sounded to start the match. This procedure is not in the best interest of the competitors. **Reason for change:** The change is designed to eliminate a procedure which may result in aggravating previous injury to a wrestler by requiring him to report to the mat following an injury. The provision specifying a wrestler who forfeited may not remain in a tournament and score points for his team was designed to prohibit the contestant, who had been restricted from competition, returning to the tournament during a subsequent round and scoring points. It is also provided for the wrestler who did not wish to compete for some reason. The change will eliminate an unhealthful practice during tournament competition.

Rule 10-4-2: Specifies placement of byes on bracket: When byes are required in the first round of tournament competition, they shall be placed on the bracket by mutual consent or drawn by lot so they are distributed evenly. The placement of byes is a matter of concern particularly as it affects team scoring. **Reason for change:** The change was made to permit tournament directors to place the byes on the bracket in order to generate as much interest as possible in tournament competition. It also clarifies the statement, long contained in the rule book, specifying tournament directors had such authority to conduct tournament competition under any plan adopted by the host school and announced in advance of the tournament.

Rule 9-2-2e and f: Assigns point values to tournament place winners: The change relates to assigning team points to different place finishers in tournament competition. With the revision, the difference between first place winners and other place winners is increased. For example, in a tournament scoring four places, first place receives 14 team points. In tournaments awarding six places, first will earn 16 points. The difference between first and second in each case is 4 points and the difference between the next two places is 3. In each case, there is a greater premium on finishing first than there is for other places. **Reason for change:** The purpose of the change is

to emphasize the importance of first place finish compared with other places. It also reflects the differences in advancement points in the championship and consolation sides of the bracket. With the revision, those finishing with the higher place will earn more team points throughout the tournament than under the previous system.

Rule 10-5-4: NOTE: Provides criteria for resolving ties: By state high school association adoption, the jury for judging the outcome of overtime matches which end in a draw may be eliminated. This may be done by applying a specified list of criteria, in the designated order, for the purpose of determining the winner objectively. It will, in effect, remove subjective judgment from overtime matches. The procedure was the subject of an authorized experiment during the 1975-76 wrestling season and its acceptance by athletes, coaches and fans was gratifying. **Reason for change:** The purpose of the revision is to eliminate the need for subjective judgment in determining the winner in an overtime match which ends in a tie. Applying the listed criteria in the order presented reflects the comparative abilities of the wrestlers and their desire to excel.

THE GAME GUY AWARD

The K. H. S. A. A. will continue the Game Guy Award. School representatives and registered officials may make nominations for the award. The eligible person should be a pupil at the junior or senior high school level who has overcome great physical handicap in order to take part in athletics. Letters of recommendation should be addressed to "Game Guy Committee, K.H.S.A.A., P. O. Box 7502, Lexington, Kentucky 40502." Deadline for the 1977 nomination is April 1.

NEW ELIGIBILITY POSTERS

New eligibility posters have been mailed to all member schools of the Association. These posters should be conspicuously displayed on bulletin boards and in locker rooms as they give information to the boys in the school concerning certain important eligibility requirements. The placing of these posters and calling attention of the athletes to the same will do much to acquaint the boys with some of the important eligibility requirements and hence, may save them committing acts during the year which would cause them to lose their eligibility.

SEVENTH NATIONAL CONFERENCE OF HIGH SCHOOL DIRECTORS OF ATHLETICS

The Seventh National Conference of High School Directors of Athletics will be held at the Town and Country Hotel in San Diego, California, on December 12-15, 1976.

The San Diego Conference will again feature nationally known speakers and current, vital topics. An expanded workshop program is being planned to provide more opportunity for athletic directors to discuss programs in detail which relate to their specific school situations. In addition, Dr. Libor Brom and Grant Teaff will make the keynote presentations at the Seventh National Conference of High School Directors of Athletics.

Lefty Gomez, a professional baseball legend, will provide entertainment at the Conference Luncheon on December 13. Former UCLA basketball coach, John Wooden, headlines the Management Seminar program on Tuesday, December 14.

In addition to the Conference Luncheon, two other outstanding meal functions are being planned. The Fellowship of Christian Athletes will again host a breakfast on Tuesday, December 14. The Conference Banquet that evening will be a Polynesian buffet with leis, Hawaiian music and a floor show.

National Federation Basketball Test

Part II of the National Federation basketball examination will be given all over Kentucky on Monday, December 6, to officials who wish to work for the Approved and Certified ratings. The examinations will be given by the Assigning Secretaries in all regions. The sites will be determined by the Assigning Secretaries. Officials registered with the K.H.S.A.A. for the first time this year and who have not been registered previously in any other state association, are not eligible to take the test for a higher rating. Those interested should advise the Assigning Secretary immediately since they will supervise the examination.

TO FOOTBALL COACHES AND ATHLETIC DIRECTORS

SUBJECT: CO-OPERATIVE FOOTBALL PLAN

Many Kentucky high schools participate in the Co-operative Football Plan. Over the years, this plan has provided maximum protection at a minimum cost for your players. The plan has changed very little from year to year and, while I feel that the coverage is adequate, you may have some other ideas about it.

I would like to have your comments as to how you feel we can improve the plan. Any increase in the benefits will result in a corresponding increase in the cost of the plan to your school. But it may be necessary to do this in order to keep up with the increases in hospital and medical costs.

Your ideas are important. Let me hear from you.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, on Saturday, December 18, 1976. The meeting was called to order by President George Sauer at 9:00 A.M. with all Board members, Commissioner Tom Mills and Assistant Commissioners Dianne Caines, Louis Stout and Billy V. Wise present. Conley Manning and Darrell Wells were present representing the State Department of Education and the State School Boards Association. The invocation was given by Jack Burkich.

Norman Passmore moved, seconded by Glen Ravenscraft, that the minutes of the October 2, 1976, meeting of the Board be approved. The motion was carried unanimously.

Ray Story made the motion that the minutes of the November 1, 1976, meeting of the Board be approved. Denval Barriger seconded the motion and it passed unanimously.

President Sauer presented the letter of resignation received from Board member Cecil Reid. Mr. Reid accepted the position of Assistant Superintendent in the Graves County School System and is no longer eligible to serve as a member of the Board of Control. Commissioner Mills was instructed to fill the vacancy immediately in accordance with the provisions of Article IV, Section 2, of the K.H.S.A.A. Constitution and By-Laws.

Mr. Richard Hensel and Coach Bill Fultz came before the Board to appeal the eligibility case of Steve Hensel. Steve is ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. After presenting the facts in the case and answering questions from members of the Board. Mr. Hensel and Coach Fultz thanked the Board and departed. Following a lengthy discussion, Ray Story moved that the Transfer Rule not be waived in this case. Joe McPherson seconded the motion and it passed unanimously.

Board Attorney Calvert T. Roszell came before the Board to report on the court case involving Madisonville-North Hopkins High School. Mr. Roszell explained that the Hopkins Circuit Court had ruled against the K.H.S.A.A. in this case, thereby permitting Madisonville High School to continue with their basketball schedule even though they had been suspended from membership in the K.H.S.A.A. for playing an ineligible player. After hearing the presentation, Ray Story moved that the Board instruct Mr. Roszell to appeal the decision of the Hopkins Circuit Court. Eldon Davidson seconded the motion and it passed unanimously.

Board Attorney Phil Scott then reported the results of the Court case involving Southern High School. Southern had been required to forfeit six football games for playing an ineligible player, under the provisions of K.H.S.A.A. By-Law 24. The K.H.S.A.A. lost this case in the Jefferson County Circuit Court but received a favorable decision when it was brought before the Kentucky Court of Appeals. Mr. Scott recommended that a brief in this case be filed with the Kentucky Supreme Court. Glen Ravenscraft made the motion that the Board accept the recommendation of Mr. Scott. Denval Barriger seconded the motion and it passed unanimously.

Assistant Commissioner Billy V. Wise reported that the football play-offs continue to be successful. He presented the Board with a financial report on the finals played in all classes at Commonwealth Stadium in Lexington. After a discussion concerning an additional amount for expenses to be allotted to each team taking part in the final games, Eldon Davidson moved, seconded by Jack Burkich, that each of the eight schools involved receive an additional amount of $800.00. The motion carried unanimously.

The Board approved the request of Pikeville High School to change from Class A in football to Class AA. They also approved the request of McLean County High School to move from Class A to Class AAA. The request of Hancock County to change districts in Class A was not granted.

Prin. Thomas H. Stephenson, Heath High School, requested that the enrollment figures used to classify teams in football be raised. There was no motion to grant this request.

Mr. Shirley Watts, Assigning Secretary for the Central Kentucky Football Officials' Association, presented two proposals to the Board concerning game fees and mileage allowance for the football officials registered with the K.H.S.A.A. Following a discussion of the proposals, President Sauer appointed a committee composed of Billy Wise, Jack Burkich, Ray Story, Joe McPherson and Denval Barriger to study the proposals and make recommendations to the January meeting of the Board.

Upon a motion by Jack Burkich, a second by Denval Barriger and a unanimous vote of the Board, the following regulations concerning fees for district, regional and state basketball tournaments were adopted. The district tournament officials shall receive a fee of $30.00 per game. The regional tournament officials shall receive a fee of $35.00 per game and the state tournament officials shall receive $40.00 per game. The transportation allowance shall be 10c per mile per car for all necessary travel. In the event it is necessary for the official to remain overnight at the tournament site, he or she shall be paid an additional $20.00 per day for lodging and meals. The same rates shall apply for both boys and girls tournament officials.

Following a discussion on the assignment of officials to tournament games, Cecil Reid made the motion that officials be assigned outside the district but within the region in which they reside. Glen Ravenscraft seconded the motion an it passed by a vote of 5-3.

Following a discussion on the advantages and disadvantages of televising the finals and semi-finals of the Boys' State Basketball Tournament, Ray Story made the motion that only the final game of the 1977 Boys' State Basketball Tournament be televised. Joe McPherson seconded the motion and it passed unanimously.

Denval Barriger made the motion that By-Law 21, Number of Basketball Games, be waived to permit schools in Louisville and Jefferson County to re-schedule some of the games that were not

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Friday, January 21, 1977. The meeting was called to order by Vice-President Ray Story at 9:00 A.M. with all Board members, except President George Sauer; Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Jack Burkich.

Prin. C. W. Jones, Farmington High School, was present as a new Board member. Mr. Jones will complete the unexpired term of Mr. Cecil Reid who resigned recently to accept the position of Assistant Superintendent in the Graves County School System.

Norman Passmore moved, seconded by Denval Barriger, that the minutes of the December 18, 1976, meeting of the Board be approved. The motion was carried unanimously.

Prin. Harry Loy and Coach Clyde McConnaughay of Carroll County High School came before the Board to report on their football scheduling problem with district teams. Mr. Loy explained that he has contacted every school within his district but has not been able to schedule the required numbes of games to qualify for the championship. Mr. Loy stated that he had open dates on August 26, September 2 and September 16. Commissioner Mills assured Prin. Loy that the K.H.S.A.A. will assist him with the problem of completing his schedule.

Commissioner Mills reported that the Football Committee which met on January 20, 1977, had the following recommendation concerning the fee for football officials for the 1977 season: "The fee for football referees shall be $32.50 with the remaining members of the crew to receive $27.50. Each crew shall receive a car allowance of 10c per mile for all mileage over 50 miles. The assigning secretaries may use their discretion where it is necessary for more than one car to transport the officials to the game. The schools shall never pay more than three cars for travel expense. Where all crew members live in the same geographic location there will only be mileage paid for one car." Norman Passmore moved that the recommendation of the Football Committee be adopted. Paul Trimble seconded the motion and it passed by a vote of 6-3.

Assistant Commissioner Wise presented to the Board the proposal for breaking ties in the football districts. The proposal will read as follows: "If a tie results after a teams highest points for any four scheduled games have been counted, an additional game will be counted until the tie is broken. Games played between teams who are in a tie for the championship shall not be counted when the tie breaking method is applied." Paul Trimble moved and seconded by Denval Barriger to accept the proposal for breaking ties for district championship. All members voted Aye.

Denval Barriger made a motion, seconded by Norman Passmore, that the Commissioner and his staff study an alternate plan for the football playoff system. The motion carried unanimously.

Eldon Davidson made a motion, seconded by Joseph McPherson to amend the minutes of the December 18, 1976, meeting pertaining to the assignment of district tournament officials to read "may be assigned" instead of "to be assigned" outside of the district and within the region. The motion carried unanimously.

Commissioner Mills presented the eligibility case of Mark Bentley, Fleming Neon High School, who was ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. After hearing the facts in the case, Paul Trimble moved, seconded by Glendon Ravenscraft, that By-Law 6, Section 1, be waived in this case. All members voted aye.

Commissioner Mills read a letter from Mr. John "Scoop" Brown, appealing the decision of the Commissioner to suspend him as an official for one year for his failure to report for an assigned basketball game. Mr. Brown requested that the Board reinstate him for the remainder of the

KAPOS NEWS
STATE TOURNAMENT INFORMATION

Cheerleader and Sponsor Registeration: All cheerleading squads and/or sponsors are asked to stop by the KAPOS table in Freedom Hall to:

1. Register your squad
2. Pick up important information and materials for your and your school

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room located in Freedom Hall. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet Sixteen" Cheerleading Squads: **Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor's name, must be contained in the letter of conformation which you will receive. This letter must be in the hands of a KAPOS officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid up member of KAPOS in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which will also be included in the packet sent by the K.H.S.A.A. to the winners of the sixteen regions.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning and runner-up cheerleading squads will receive trophies, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come to the floor should they be called for an award.

GOVERNOR CARROLL DECLARES GOOD SPORTSMANSHIP WEEK

While every week should be Good Sportsmanship Week, KAPOS has always tried to put special emphasis on being a good sport at State Tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Carroll. The Governor's proclamation is on display at the KAPOS table.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated women who have indicated a willing-

ness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STATE-AT-LARGE CHAMPIONS

Recognition is now being given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Ted Sanford trophy while the runner-up will be awarded the Jane Meyer trophy. Plaques will be given to the third and fourth place squads.

Beginning at the District Tournament games, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the State-At-Large winners will take place at 8:30 A.M. on Saturday, April 2, in the Atherton High School Gymnasium, 3000 Dundee Road, Louisville. The public is invited to this out-standing event. The admission charge of $1.00 per person will go toward the expenses of the KAPOS scholarship award, details of which are suppled below. We are grateful to the administrators of Atherton for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be remindful that they are guests in the "home" of Atherton High School.

At the conclusion of the judging at Atherton, trophies will be awarded to the top four squards, in addition to several special awards.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applicatioins in early. Applications must be turned in no later than April 15. Write a KAPOS officer for application forms, or pick them up at the State Tournament KAPOS table.

1977 BASEBALL

Early Season Questions

EDITORS NOTE: These interpretations of the rules of the National Federation Baseball Committee do not set aside nor modify any rule. The rulings are aproved and apply to the situation for which they are given.

CLIFFORD B. FAGAN, Editor,
National Federation Publications

BASEBALL PUBLICATION CORRECTIONS

CASE BOOK

Case Book Play 1 (a) and its ruling should be revised as follows:

1. **Play:** With all bases occupied and two out, B6 hits a double (a) R1 who was on 1st when play started deliberately throws his head protector to the ground after touching 3rd base.

Ruling: Umpire should signal delayed dead ball when he observes the violation and penalize when the play is completed. If R3 scores, his run counts; however, he is banished from the game. If R3 reached 3rd base and did not score, he is declared out and also banished from the game. Some may contend that this is a double penalty, but there are actually two rules infractions. There is one penalty for deliberately removing the head protector during play action, and there is also an additional penalty which applies when the player, after removing his head protector, deliberately throws it to the ground.

Case Book Play 42 (b) should be revised as follows: S1 steps into the batter's box in place of B1 but his name is not reported to the umpire-in-chief. S1 hits the ball safely and reaches 1st base. Prior to the next pitch, the defensive team appeals to the umpire-in-chief that S1 was not reported into the game properly.

Ruling: S1 is removed from the game for duration and B1 is declared out. There are two rules infractions involved in this play situation. B1 is declared out because S1 is actually an improper batter, and the batting out of order rule and penalty must be applied. S1 is removed from the game for its duration because he was not reported into the game properly. The hit made by S1 is deleted from the record, and the out is recorded as having been made by B1 (the proper batter).

POINTS OF EMPHASIS FOR THE 1977 SEASON

The Baseball Rules Committee believes there are several areas of the game which need to be given special consideration. These are identified as "Points of Emphasis." For the 1977 season, attention is called to: Standing up instead of sliding on close plays: Maliciously crashing into a fielder who is holding the ball waiting to make the tag; faking a tag without the ball: coaches "Charging" umpires on judgement calls; and bench and field conduct. When a topic is included as a Point of Emphasis, the action involved has not been administered properly or has been misinterpreted. It is the opinion of the Rules Committee that ad-

Baseball Questions

(Continued from Page Seven)

ditional and immediate attention to these items will noticeably improve the game and sportsmanship.

Standing Up Instead of Sliding or Attempting to Avoid Being Put Out on Close Plays: Teaching base runners how and when to slide is an important part of a coach's responsibility. Players should be instructed to slide or avoid being put out (without violent contact) on any close play at second, third and home, not only to avoid injury to the fielder, but also to prevent personal injury. In a double play situation (regardless of whether the play at second is close) players should not be taught to stand up going into second in an attempt to prevent the pivot man from throwing to first base or to cause him to throw wildly. The runner who does not slide risks a severe collision and the chance of being struck in the face by the fielder's throw. The proper technique is for the base runner to make a legal slide in an attempt to break up a double play. If the pivot man has already touched the base and is no longer in the base line, the runner shqld not go out of the base line in an attempt to make contact with the pivot man, he will be declared out for interference. If such contact is malicious or flagrant, the runner shall be ejected from the game. If, in the opinion of the umpire, the runner's interference also prevented an out on the batter-runner, the umpire shall declare the batter-runner out.

Crashing into a Fielder who is Holding the Ball Waiting to Make a Tag: There have been cases reported in which the base runner, upon seeing the catcher or another infielder who has the ball waiting for the runner, remains on his feet and deliberately, with great force, crash into the defensive player hoping to jar the infielder so hard he will drop the ball, rather than slide or make an attempt to avoid being tagged out. Severe injury can result from such unnecessary unsportsmanlike tactics. It is the duty of the umpire to declare the runner out, and when the action of the runner is also interpreted as being a flagrant act, the violater shall be disqualified from the game.

Faking a Tag Without the Ball: A growing practice of a fielder faking a tag on a runner when that defensive player does not have the ball must be curtailed. The Rules Committee has changed the rule to provide that when a defensive player fakes a tag when he does not have the ball, the player who executes the fake shall be banished from the game.

Coaches Charging Umpires on Judgement Calls: The Rules Committee is disturbed that there have been reports of umpires being "charge" by coaches and others connected with the team to question a judgement call of the umpire. There is no place for such tactics in amateur baseball. Any player, coach or bench personnel who "charges" an umpire to question a judgement call by an umpire shall be warned to stop this action at once. If the warning is not heeded immediately, the offender shall be banished from the game. If after one warning to a member of a team (coach, player, student, substitute, manager, scorekeeper, etc.) a member of that team "charges" an umpire to question a judgement call, that offender shall be banished for the remainder of the game.

Bench and Field Conduct: The Rules Committee has been apprised of the fact that many coaches and players are guilty of conduct detrimental to the game of baseball. Specifically, the committee has been informed that the practice of baiting opponents is on the rise in certain parts of the country. The Code of Ethics for Baseball Players and Coaches states, "The ethics and sportsmanship of players, coaches, officials and others associated with the game must be exemplary and beyond reproach." The penalty for unsportsmanlike conduct (following Rule 3, Section 3) as it pertains to using words or remarks which reflect on opposing players, is disqualification. The Rules Committee sincerely hopes coaches will work with their players to eliminate these unsportsmanlike acts.

1. **Play:** In the fifth inning the bases are fully occupied by R1, R2 and R3 and none out. S1 comes in to bat for B4 without being reported in to the umpire-in-chief. S1 hits a pitch fair and out of the park. After he and R1, R2, and R3 have scored, F1 is thrown a new baseball by the umpire-in-chief. In (a) prior to the first pitch; or (b) after the first pitch the team in the field appeals to the umpire-in-chief that S1 did not report to the umpire-in-chief.

Ruling: In (a) S1 is removed from the game for its duration, B4 the proper batter is declared out and R1, R2, and R3 must return to 3rd, 2nd, and 1st bases, respectively. The runs are cancelled and B5 is now the batter. In (b) the runs scored by R1, R2, R3 and S1 count; however, S1 is removed from the game for its duration. An eligible substitute may replace him by properly reporting to the umpire-in-chief prior to competing.

2. **Play:** R1, R2 and RA occupy 3rd, 2nd and 1st bases, respectively. There are 2 out when S1 without being reported to the umpire-in-chief takes position in the batter's box. He hits a triple but misses 1st base in running out the hit. Team in the field immediately: (a) appeals to the umpire-in-chief that S1 did not report in properly; or (b) threw the ball to F3 who appeals the fact that S1 did not touch 1st base.

Ruling: In each of (a) and (b) no runs score. In (a) B6 is declared out and S1 is banished from the game for its duration. In (b) S1 is declared out, S1 is not removed from the game because no one has challenged his not reporting in properly.

3. **Play:** B1 appears at bat with an aluminum or magnesium bat which does not have a knob on the handle end of the bat.

Ruling: The umpire shall require that the batter procure a legal bat immediately.

4. **Play:** B1 receives ball 4 and he or a teammate immediately requests time.

Ruling: The umpire shall ignore the request and order B1 to go to 1st base, after which a team B player or coach may now request time and umpire shall grant it.

5. **Play:** Bat of B1 breaks in two pieces as a result of hitting a pitch. The batted ball, bounding on foul territory in direction of 3rd base, then hits the barrel of the bat causing the ball to roll to fair territory in front or 3rd base. F5 fields ball and throws it to F3, who tags 1st base before B1 reaches it.

Ruling: This is ruled a foul ball. B1 is not out

for hitting ball a second time.

6. Play: After any or all of the starting players have been withdrawn, how soon may they re-enter the game?

Ruling: Immediately, with the exception of the pitcher if he is pitching at the time he is removed from the game. If the starting pitcher's removal from the game is because of excessive defensive team conferences as stated in Rule 3-4-1, he may re-enter but not as the pitcher.

7. Play: While on defense, several players exchange position in the field.

Ruling: This is legal and it does not constitute withdrawal or re-entry. A player has not been withdrawn until he is removed from the game as an active player, whether a fielder at the time or a batter. Of course, the pitcher, while his team is in the field, exchanges positions with a fielder, he cannot pitch again until the fielder who took over as a pitcher complies with the provisions of Rule 3-1-2.

8. Play: May anyone bat in place of the designated hitter?

Ruling: Only the starting player for whom the designated hitter bats may pinch hit just once for the designated hitter, but if this happens, the move shall terminate the designated hitter role for the remainder of the game. The use of a pitch runner for the designated hitter also terminates the designated hitter role for the remainder of the game.

Comments: It is important for all to understand that when the starting lineups are submitted (and the designated hitter is being used), the designated hitter should be listed in the preferred batting position of the batting order, and the defensive player he is batting for should be listed immediately below the designated hitter. (These two players are locked into that one batting position.)

9. Play: During the 1st inning, the coach of the team in the field requests and is granted time to confer with F1. Shortly thereafter F6 collides with F7, who is injured, and the coach or the team attendant comes onto the field to examine the injured player.

Ruling: The second conference is not charged. It is justified by an obviously incapacitated player.

10. Play: Coach on bench, or in coacher's box, or player on offense is granted request for time and coach or his bench representative comes onto the field to confer with the batter and/or base runner.

Ruling: Each team when on offensive is allowed only one such conference per inning. Time granted for an obviously incapacitated player shall not constitute a charged offensive conference. After a team has used its one charged offensive team conference in an inning, the umpire shall deny that team's request for subsequent offensive team conferences in that inning.

11. Play: In a high school game of 7 innings, how many innings constitute a regulation game if the game is called?

Ruling: At least 4½ innings.

12. Play: At the end of 4th inning, the score is H1 and V2. There is no score in 1st half of the 5th but in the last half H scores: (a) 1 run; or (b) 2 runs. In either case, game is called for rain when only one or two are out.

Ruling: In either case, it is a regulation game. In (a), it is a tie game but all records count. In (b), H is the winner.

13. Play: At the end of the 4th inning, the score is H4-V5. In the 5th inning, V does not score and H has scored one run when the game is called because of rain. Does score revert to that at the end of the last completed inning?

Ruling: No. It is a regulation tied game.

14. Play: Bases are full. B4 hits a long fly to center. F7 and F8 collide trying to make the catch and both are injured. All runners cross home base. Captain requests "time" to prevent last two runs from scoring.

Ruling: Ball does not become dead when a player is injured during a batted or thrown ball. Umpire shall not call time until no further play is possible. All four runs score.

15. Play: With R1 on 1st, F1 is in pitching position. His overthrow into a stand is: (a) from pitching position; or (b) after he has stepped backward with his pivot foot clearly off the plate.

Ruling: In (a), 1 base is awarded. In (b), 2 bases are awarded since F1 has become an infielder. In either case, the award starts at the base occupied at the time the ball left the hand of F1.

16. Play: In 1st half of the 1st inning a pinch hitter appears at bat for the starting pitcher.

Ruling: This is legal, however, the announced or starting pitcher must return to pitch to the first opposing batter in the last half of the first inning until the batter has been put out or has advanced to 1st base.

17. Play: Coach or player on defense requests time which umpire grants and coach or his bench representative confers with F1 or F4 after which: (a) F1 exchanges position with F8; or (b) F1 continues to pitch; or (c) F1 is removed from the game.

Ruling: In (a) and (c) the conference is not charged as one of the 3 allowed per game. In (b) the conference is charged to the team. If the team already has used its quota of charged conferences, F1 must be removed as pitcher for duration of the game.

Comments: All concerned will better understand Rule 3-4-1 if they will remember the coach of the fielding team or his bench representative must be involved before a defensive team conference is considered a charged one. It is important to remember that the three defensive team conferences granted to a team are charged only when the pitcher is not removed from the mound. After a team has been charged with its allowed 3 defensive team conferences any additional ones between the fielding team players and their bench personnel will cause the removal of their pitcher as pitcher for the duration of a seven inning game. If the game goes into extra innings each team when on defense is allowed just one charged conference for each extra inning without penalty.

Coaches And Officials Share Responsibility For Keeping Games Under Control

The KHSAA Office continues to receive complaints from basketball coaches that "the officials lost control of the game". The most common complaint is that the games are not called sufficiently close to eliminate unnecessary rough play. These complaints have persisted through the years and to the best of our knowledge, the KHSAA Office has never received a complaint that a game was called too closely.

School administrators and a great majority of coaches wish to have games called reasonably close and consistently.

However, the responsibility for eliminating rough play in basketball is two-fold. The coach has the responsibility for eliminating it just as much as do the officials and they should share the blame equally.

Players are inclined to play in a game as they play in practice. Coaches who allow players to foul unnecessarily in practice are encouraging unnecessary fouling and rough play in a game. Players are inclined to play the game as a practice for it. Careful attention should be given to this matter in all practices, and intra-squad scrimmage games should be closely officiated. It is unreasonable to expect officials to teach during the game what the coach failed to teach daily in practice.

On the other hand, a foul is a foul regardless of whereever and whenever it occurs. Officials who are inclined not to call fouls because of an excessive number being committed are contributing toward rough play. Games should be called consistently close according to the rules. Players who commit fouls should have them called against them regardless of the number. Failing to call fouls will give the player who commits unnecessary fouls an advantage over those who are taught to play within the rules.

Failure to call fouls also stimulates unsportsmanlike conduct and misconduct at basketball games. Rough play arouses emotions of spectators and has an adverse affect. Both coaches and officials share the responsibility of preventing this from happening. This is particularly important at a time when there is considerable questioning of the educational and recreational values of interscholastic athletics.

MARCH 1977

Modern Ides of March

The gym lights gleam like a beacon beam
And a million motors hum
In a good will flight on a Friday night:
For basketball beckons, "Come!"

A sharp-shooting mite is king tonight.
The Madness of March is running.
The winged feet fly, the ball sails high
And field goal hunters are gunning.

The colors clash as silk suits flash
And race on a shimmering floor.
Repressions die, and partisans vie
In a goal acclaiming roar.

On Championship Trail toward a holy grail,
All fans are birds of a feather.
It's fiesta night and cares lie light
When the air is full of leather.

Since time began, the instincts of man
Prove cave and current men kin.
On tournament night the sage and the wight
Are relatives under the skin.

It's festival time,—sans reason or rhyme
But with nationwide appeal.
In a world of hate, our ship of state
Rides high on an even keel.

With war nerves tense, the final defense
Is the courage, strength and will
In a million lives where freedom thrives
And liberty lingers still.

Now eagles fly and heroes lie
Beneath some foreign arch.
Let their sons tread when hate is dead,—
In this happy madness of March!

DUE PROCESS PROCEDURES

The Board of Control of the Kentucky High School Athletic Association adopted the following Due Process Procedure for appealing decisions of the Commissioner or Board of Control, effective July 1, 1976.

1. **Aggrieved Parties May Appeal Decision**
If a participant, parent, contest official, coach or member school is dissatisfied with a decision of the Board of Control or the Executive Secretary's interperting a provision or provisions of the Constitution, By-Laws or rules and regulations of the Association, and such individual or school is an aggrieved and affected party, such a party may within fifteen (15) days of the receipt of the decision, submit in writing by certified mail, return receipt requested, a notice of appeal of the decision and a request for a formal hearing.

2. **Investigation**
The Executive Secretary or his staff, or such representative of the Association designated by the Board of Control shall investigate all matters upon which the appeal is based. Investigations shall be performed so as to bring the matter to hearing, unless for cause otherwise shown, no later than the next regularly scheduled meeting of the Board.

3. **Notice**
After completion of the investigation, the Executive Secretary shall notify the appealing party, by certified mail, return receipt requested, of the time and place set for a hearing on the appeal. The notice shall be given at least seven (7) days in advance of the time set for the hearing. The hearing shall be conducted in conjuction with a regularly scheduled meeting of the board, provided that the matter may be heard at a special meeting of the Board in the event that the appealing party agrees to pay all the costs incidental to such special meeting.

4. **Attendance at the hearing**
Representatives of member schools, contest officials, students, parents and coaches who are appealing parties are entitled to attend hearings. In the instance of a student submitting the appeal, such student may be represented by the member school that the student attends. Any person entitled to be in attendance at such hearing, may represent themselves. Such persons are also entitled to be represented by counsel, provided that they notify all other parties involved in the appeal of the name, address and telephone number of such counsel at least three (3) days in advance of the hearing.

5. **Board of Control to Hear Appeals**
The Board of Control of the Association shall hear all appeals brought under the provisions of these rules. The President of the Board of Control may appoint a hearing officer to preside over the hearing or he may act as the hearing officer himself. The hearing officer may, at the beginning of the hearing, ask for statements clarifying the issues involved or upon which factual matters the appealing party will stipulate and agree to. The Executive Secretary shall make available written copies of his investigation, and may give testimony relative thereto. The appealing party shall present its defense and proofs. The parties may offer such evidence, including the testimony of witnesses, as they desire and which is relative to the proceedings. Each party shall have the right to cross examine witnesses of the adverse party. All parties shall be afforded the opportunity to examine all documents introduced.

7. **Hearing in Absence of a Member**
The hearing may proceed in the absence of any party, who after it is shown has received due notice thereof, fails to be present or fails to request an adjournment. Adjournments may be requested of the hearing officer upon the request of a party or upon the initiative of the hearing officer. However, a decision shall not be made solely upon the default of a party, but shall be based upon the evidence in the matter before the Board.

8. **Decision of Board**
The decision of the Board of Control shall be made within seven (7) days of the closing of the hearing. The decision shall be in writing, signed by the Executive Secretary and shall state the findings and conclusions of the Board. It shall be mailed to the appealing party by certified mail, return receipt requested. All decisions of the Board shall be final and nonappealable except as provided by these rules.

By-Law Clarification

K.H.S.A.A. By-Law 27, Section 2, states that in spring no member school shall engage in football practice. Therefore, if your school is on the 9-12 high school plan, your ninth grade is considered a part of your high school and may not participate in spring football practice.

Article III of the K.H.S.A.A. Constitution states that junior high schools shall not be eligible for membership of the Association and are not eligible for membership, junior high schools are not subject to the rules and regulations of the K.H.S.A.A. Therefore, the decision to conduct spring football practice at the junior high school level would be left up to the local school district.

By-Law 5, Section 2, provides that pupils enrolled in grade school may play on the high school team. If a grade school pupil participates on a high school team he then becomes subject to the rules and regulations of the K.H.S.A.A. Therefore, any grade school student who has participated

The Image of Your Association

NOTE: This article was written by Marv Helling, Associate Executive Director of the Minnesota State High School League. It is reprinted in the "Athlete" because it is believed this message should be presented to the administrators and coaches of member schools in each state high school activities association.

At no time during the life of the Association has its image undergone greater public scrutiny. We are in a period when critics and highly organized special interest groups are doing everything they can do to undermine the ideals and standards of our programs. In pursuit of their personal interests they whittle and attack eligibility rules and rules for activities as well as directing personal affronts to the men and women who coach, direct, manage and administer our entire Association program. They disregard proper channels and regular procedures for orderly change. They use courts, influence the news media and pressure legislators to achieve their ends. Such individuals and special interest groups show little concern as to how their actions affect the total educational program.

Our image is created by what we think, by what we say, by what we write and by what we do. This is how others see us.

The promotion of the ideal image requires from each of us the responsibility to enhance, not hinder, our program. In this total environment each one of us is either a part of the problem

The Image of Your Association

(Continued from Page 3)

a part of the answer.

You are part of the problem if:

. . . you hide behind your Association when invoking a penalty or explaining a rule to a student and his parents by inferring that if it were up to you things would be different. You pass the buck by saying that your hands are tied because these are the Association's rules and you cannot do anything about them.

. . . you make statements to the public and to members of the news media that are not correct. (You do this because you are naive, uninformed, covering for a personal mistake, seeking some kind of personal gain or supporting an outside interest.)

. . . you coach, manage, or direct your program in the gray or fringe area as you search for and attempt to exploit loop-holes in the rules and regulations.

. . . you exploit students, parents, or community programs for your personal gain.

. . . you do things in front of your students that are against the rules for them.

. . . you fail to attend association meetings, workshops, etc.

. . . you fail to study the Official Handbook, the "Athlete" and the various rule books that pertain to your responsibilities.

. . . you fail to join and take an active part in the professional associations relating to your responsibilities.

You are part of the answer if:

. . . you provide a student and his parents with clear explanations of rules and advise them that these are written, agreed upon, and administered for all of the students throughout the State and that you support this procedure.

. . . you follow a simple two-step procedure when you find yourself in disagreement with Association rule or policy. First, you make an honest appraisal of the rule to understand how it relates to the best interests of students, member schools and their personnel throughout the state within the overall objectives of secondary education. Second, if you believe that change is needed, you utilize the appropriate avenue available for proposing amendments or seeking revisions.

. . . you have an understanding of the rules, regulations and policies of the Association so that you are able to provide knowledgeable answers to questions as logical explanations to false allegations.

. . . you take an active part in association meeting, rule interpretation meetings, workshops, etc.

Our staff is vitally concerned for each member school, each activity, and all of the students. We are dedicated to serving their best interests. We welcome the opportunity to assist you in the continued growth and development of the Associations to improve it - to protect it - and defend it.

Two prime ingredients of any successful organization are loyalty and pride. Let us resolve to make a positive contribution by being loyal to each other and the principles, standards, and ideals for which we stand, and by demonstrating that we have great pride in our profession, our Association, and the young people we serve.

AND WE QUOTE . . . . "The Association is a voluntary organization, composed of member schools which voluntarily elect to participate in the various competitions. It is essential that administrators, coaches, and faculty support the Association rules and regulations, since the schools themselves, through democratic process of ballot and referendum, have made those rules and regulations.

"If the time ever comes when member schools become party to law suits and continually criticize the Association's rules, then the very foundation of the Association, as a voluntary organization, will be undermined. In this day of law suits and threats of law suits, school administrators and coaches and all faculty sponsors should support the Association and its rules, to prevent as much as possible any threatened litigation.

"If school people extend sympathy to those critical of Association rules, suggest or admit that its rules are stupid, antiquated, unfair, or make other disapproving remarks, then the schools will find themselves more often subject to law suits and legislative maneuvering.

"The Association is supported primarily by gate receipts from the State tournaments in Football and Basketball; if the Association is required to use these funds to defend itself and its rules against law suits, this just does not make sense. The money so spent could be better used improving Association undertakings.

"School administrators should caution sponsors to use great care in the future in support and defense of Association rules and regulations and thus discourage and avoid expenditure of monies in court costs and attorney's fees.

"Any administrator or sponsor who feels a rule is not desirable has other avenues for providing a change. Opinions can be expressed to school administrators and by administrators to Legislative Council members to the Association office on removing rules or amending them. The Association has elective democratic processes whereby changes can be made at any time the majority of school administrators so desire. So, let's not encourage outsiders to attempt to change the rules by court action, — especially when it is YOUR money which is paying the cost of litigation.

4. Coverage for all registered officials of the K.H.S.A.A., while officiating, or traveling to or from the game they are to officiate;
5. Coverage for medical expense incurred within two years following the date of injury;
6. The deductible is eliminated for injuries sustained during a state series of tournaments or meets.

Proposal I states that Article IV, Section 2, Sub-Section A be amended to read as follows: "Members of the Board shall be elected for a period of four years by vote of the principals of member schools in each basketball region. To be eligible for membership on the Board of Control, one must be the principal, coach, athletic director, or superintendent of a certified school or Board of Education." The motion passed.

Mr. James A. Pursiful moved that Proposal II, stating that Article IV, Section 2, Sub-Section B be amended to read as follows: "Each representative and alternate to the Delegate Assembly must be a high school principal, or other faculty member, city or county athletic director or superintendent" be tabled. Mr. Walter Pickett seconded the motion and it was carried.

Mr. Ray Story moved, seconded by Mr. Joe Judy, that Proposal III be adopted. Proposal III states that By-Law 4, Age, be changed to read as follows: "A contestant becomes ineligible on his nineteenth birthday with the following exceptions: If the age of nineteen is attained after the sport season has started, he remains eligible for the remainder of the season in that sport. For application of this rule, the fall sports season shall begin on August 1, the winter sports season on November 1, and the spring sports season on April 1." The motion failed to carry.

Mr. Jack Hall moved, seconded by Mr. Arthur K. Draut, that Proposal IV be adopted. Proposal IV states that the second sentence of By-Law 21 be changed to read, "A school maintaining a football team shall not play more than twenty basketball games during the season and a school which does not maintain a football team shall not play more than twenty-six games." If adopted, this change would not go into effect until the 1978-79 season. The motion failed to carry.

Mr. Allan Osborne moved, seconded by Mr. Jack Ball, that Proposal V be tabled. Proposal V states that By-Law 27, Section 2, be changed to to read: "After a school has completed the football season and before the last day of school, no school shall engage in football practice which requires the use of helmet or shoulder pads. The practice of skills which do not require full speed contact will be permitted." The motion failed to carry.

Mr. Ray Story then moved, seconded by Mr. Ron McAllister, that Proposal V be adopted. The motion failed to receive the necessary two-thirds vote for passage.

There being no further business, the meeting was adjourned by President George Sauer, Jr.

GAME GUY AWARD

Terry Shrum

The Game Guy Trophy is annually awarded to the one athlete in the State of Kentucky who has overcome a physical handicap and participated in high school athletics. Terry Shrum was the unanimous choice of the K. H. S. A. A. for the 1977 Award.

Terry's handicap is an undeveloped leg which is half an inch shorter than his other leg. With a built-up shoe, Terry still lacks the maneuverability of other athletes and often gets bad falls during the heat of the game.

Terry has received many outstanding honors during his high school career. He was selected to the all-district team twice, all-regional team twice and was picked in a pre-season poll as the top player in Region 12. In addition, he is a member of the National Honor Society and is president of the senior class.

In nominating Terry for the Award, Monticello's Principal, Eldon Davidson said: "Terry has overcome a serious handicap that he has had since birth and in spite of doctor's opinion that he would never be able to participate in sports, he has prevailed with spirit and determination to become one of Monticello's most successful athletes and scholars."

THANK YOU

We want to take this opportunity to thank all of the principals, coaches, students, parents, spectators, and friends who have helped to make the 1976-1977 school year one of our best in recent history.

The Association's program continues to expand in both quality and quantity, primarily because of the continued interest and good work of our educational leaders.

The program of interscholastic activities sponsored by the K.H.S.A.A. is broad and varied, and it is making substantial contributions to the development and well-being of our youth. This program could not exist without your help and understanding.

Thanks very much for your cooperation.

Minutes Board Meeting

(Continued from Page One)

Eldon Davidson moved, seconded by Norman Passmore that the request be granted since there are presently only three schools in District 40. The motion passed unanimously.

George Sauer and Ray Story were named Delegate and Alternate, respectively, to the forthcoming Annual Meeting of the National Federation.

Norman Passmore made the motion that the $25,000.00 catastrophe injury insurance plan be renewed for the 1977-78 school year with Doug Ruedlinger, Inc., at an annual rate of $10,500.00. C. W. Jones seconded the motion and all members voted aye.

Mr. Mills presented a letter from Mr. Bill Ring, umpire-in-chief and K.H.S.A.A. Area Representative for the Bluegrass Umpires Association concerning the fee and travel allowance for baseball officials. Mr. Stout was instructed to discuss this request with the Baseball Committee and submit recommendations for consideration at the July Meeting of the Board.

The Board then discussed the request of Mrs. Pat Dooley, KAPOS, for three hundred dollars to help with the expense involved in presenting awards to the cheerleaders during the Boys' State Basketball Tournament. Following a lengthy discussion on the KAPOS organization and its relationship with the K.H.S.A.A., Eldon Davidson moved, seconded by Joe McPherson, that the request be denied and that member schools be informed that the K.H.S.A.A. is not affiliated with the KAPOS organization. The motion passed unanimously.

The Commissioner was instructed to inform member schools that volleyball and table tennis may be added to the list of sports sponsored by the K.H.S.A.A. at the beginning of the 1978-79 school year providing a sufficient number of schools express an interest.

Denval Barriger moved, seconded by Norman Passmore, that all bills of the Association for the period beginning March 1, 1977, and ending March 31, 1977, be allowed. The motion was carried unanimously.

The date for the next scheduled meeting of the Board of Control was scheduled for Friday, May 20, 1977, at 1:00 P.M. in Lexington.

There being no further business, the meeting was adjourned.

J. B. MANSFIELD AWARD

Debbie Johnson

The first J. B. Mansfield Award for girls was won by Debbie Johnson, Tates Creek High School, Lexington. The annual award inaugurated by the Courier-Journal and Times is presented to the player in the K.H.S. State Basketball Tournament who excels in four areas: basketball ability, academic accomplishments, sportsmanship and citizenship. The selection was made by a committee of school personnel from throughout the state.

TED SANFORD AWARD

Jeff Lamp

To foster the ideals exemplified by Ted Sanford, former commissioner of the Kentucky High School Athletic Association, the Courier-Journal and Times inaugurated the Ted Sanford Award to be given annually to a player in the Kentucky High School Boys' State Basketball Tournament who excells in four areas: basketball ability, academic accomplishments, sportsmanship and citizenship. This year a committee composed of school personnel from throughout the state selected Jeff Lamp, Ballard High School, Louisville.

1976-77 ANNUAL REPORT

(Presented to Delegate Assembly)

Three hundred twelve schools joined the Association for the 1976-77 school year. Thirteen of these schools enroll girls only and eight have only boys. In 1975-76 there were 313 schools, in 1974-75 there were 315, in 1973-74 there were 329 and 334 in 1972-73.

There were 194 schools involved in football. The Classes A, AA, AAA and AAAA championship games were played at the University of Kentucky, Lexington, with approximately 11,985 in attendance and gross receipts of $42,381.00. Expenses involved in conducting the state football playoffs were $24,167.94. Interest and attendance at the regional and semi-final games continued to increase resulting in greater revenue for the schools involved.

In Cross Country 142 boys' teams entered twenty-two regional meets. Eighty girls' teams entered all three Classes in fourteen regions. The expenses incurred in sponsoring this sport were $8,057.88. The Class AAA Meet was held at Bellarmine College, Louisville, and the Classes AA and A were held in Lexington at the University of Kentucky.

The Wrestling program is going forward at a rapid pace. There were seventy-four schools in the eight regions with the winner and runner-up in each weight class advancing to the finals. The championship tournament was held at Atherton High School. The receipts from the meet amounted to $5,815.50 while the expenses to date are $6,807.47.

In Classes AAA and AA Swiming, thirty-seven girls' teams and forty-five boys' teams competed for the championships. They were held at Plantation Swim Club, Louisville, on February 18-19 and Eastern Kentucky University, Richmond, on February 25-26 respectively. The receipts were $1,324.00 and the expenses were $5,980.07.

There were sixteen schools with boys' Gymnastics teams and twenty-seven with girls. There were two girls' regional meets held at Pendleton County High School and Moore High School, but there was not sufficient number of boys' teams to justify a regional. The state meets were at Marion C. Moore High School on March 5. The receipts were $430.50 and the expenses were $2,122.20.

The approximate gross receipts from the boys' and girls' district basketball tournaments were $405,788.75 while the regional tournaments took in $300,426.40 for a total of $706,215.15. The approximate amount realized by host schools as profit from concessions amounted to $50,655.27. Attendance at the Boys' State Tournament was approximately 75,000 as compared to 99,858 for last year. The gross receipts this year for the tournament is estimated at $292,623.25. A complete audit will appear in the August issue of the "ATHLETE."

Attendance at the Girls' State Basketball Tournament was 25,371. The gross receipts amounted to $76,481.00 with expenditures of approximately $31,006.73. The expense of the tournament was minimum due to cooperation of the people at Eastern Kentucky University. A complete report will appear in the audit.

There were twelve co-ed teams competing in the State Rifle Marksmanship Meet in Louisville. Expenses incurred were $468.60.

Eleven teams competed at Louisville in the State Fencing Meet. Approximate disbursements for the meet were $150.48.

In the other sports that are to follow 265 baseball teams will compete in fifty-nine districts and

sixteen regions; 208 girls, and 217 boys' track teams will compete in twenty regions each; 101 girls' golf teams and 192 boys' teams will play in nineteen regions; 139 girls' tennis teams and 149 boys' teams will play in ten regions. State Championship meets will be held in baseball at Morehead University; the Class AAA track in Louisville and the Class A and AA at the University of Kentucky, Lexington; the girls' golf at Princeton Country Club, Princeton; the boys' golf at the Anderson Golf Course, Fort Knox; the tennis at the University of Kentucky, Lexington.

Registering with the officials' Division of the Association were 1,539 basketball officials, 723 football, 538 baseball at the present time and 75 wrestling. Assistant Cmmissioner Billy V. Wise conducted seventeen clinics in basketball and twelve in football for officials and coaches. Assistant Commissioner Louis Stout conducted fourteen clinics for baseball umpires and coaches. Out of the 723 football officials that took the National Federation examination for advanced ratings, 121 became "approved" and 272 "certified." In basketball out of the 1.539 that took the test, 219 became "approved" and 277 are "certified." Five hundred thirty-eight took the baseball test with sixty-two being "approved" and eighty "certified."

The Board of Control, the Asistant Commissioners and I are grateful for the cooperation the superintendents, principals, athletic directors and coaches have given us in running the program for the Association.

THE KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION

The Kentucky High School Athletic Association differs from other organizations in that it was established by the schools themselves to exercise those responsibilities that they wish to have handled collectively by the schools instead of each school assuming individual responsibility.

The K. H. S. A. A., therefore, is not a separate entity, but is a voluntary, non-profit organization of schools. Each member school is as much a part of the K. H. S. A. A. as any other one school. Each agrees to abide by the same minimum standards and regulations as do all other member schools.

As in all other democratic organizations, the will of the majority of schools is followed. There are some standards and regulations to which an individual school might object; however, the majority of schools can change any provisions of the Constitution through the process of amendment.

The impression left with many individuals outside the schools is that the K. H. S. A. A. is an orginization that exercises authority over the schools. In reality, the only authority exercised over the schools is by the schools themselves. They simply act collectively through the Association instead of individually in those matters that the majority think can better be handled in such manner.

The Delegate Assembly and Board of Control are elected by the schools to carry out their desires. The schools administer their programs through the K. H. S. A. A. with the help of the Delegate Assembly and the Board of Control in a manner very similar to that of a community administering its program of public education through its Board of Education.

It is important that all school administrators keep their Boards of Education clearly informed of the nature of the K. H. S. A. A. in which their schools are members. This policy will help to avoid any misunderstanding and embarrassment for any local school administrator if questioned by members of his or her Board of Education as to why the school must comply with regulations of the K. H. S. A. A.

It will help school board members acquire a more complete understanding when they realize that the school is complying only with the standards it has agreed collectively with other schools to uphold.

10-10:
This section has been completely revised as follows: "A coach shall remain seated on the bench — except to:

(a) rise and stand in front of his or her seat to signal players to request a time-out;
(b) while the clock is stopped stand in front of his or her seat to signal or communicate to his or her squad member;
(c) spontaneously react to an outstanding play by a member of his or her team;
(d) to confer with personnel at the scorer's table to specifically request a time-out for a correctable error as in **2-10**; or
(e) attend an injured player when beckoned onto the court by an official; or
(f) rise during a charged time-out or intermission."

10-B-11-4(d):
It will now read, "No free throws for a double foul, one or both fouls of which are flagrant **or intentional."**

Signal Chart:
The signal to start the clock is revised so that the official signals the timer to start the clock by lowering his right arm (with hand open) from full arm's length above the head laterally to a position of hip height.

Comments on the Rules:
The Rules Comments will now include the following statement: "It is the policy of the National Basketball Rules Committee of the United States and Canada that there shall be no deviation from the rules unless approval has been granted by its Research Committee.

The following four "Points of Emphasis" wil appear in the Rule Book and will be with full explanation of their meaning and significance:

1. Clarification of the Rules Restricting Dunking of a Dead Ball.
2. Illegal Use of Hands such as Tagging or Touching During Post Play.
3. Grasping the Basket Following a Dunk.
4. Contact Between the Offensive and Defensive Player During a Jump Shot.

ARE YOU A WINNER OR A LOSER?

A winner says, "Let's find out"; a loser says, "Nobody knows".

When a winner makes a mistake, he says, "I was wrong"; when a loser makes a mistake, he says, "It wasn't my fault".

A winner knows how and when to say, "Yes" and "No"; a loser says, "Yes, but" and "Perhaps not" at the wrong times, for the wrong reasons.

A winner isn't nearly as afraid of losing as a loser is secretly afraid of winning.

A winner works harder than a loser and has more time; a loser is always "too busy" to do what is necessary.

A winner makes commitments; a loser makes promises.

A winner shows he's sorry by making up for it; a winner says, "I'm good, but not as good as I ought to be"; but a loser says, "I'm not as bad as a lot of other people."

A winner listens; a loser just waits until it's his turn to talk. A winner would rather be admired than liked, although he would prefer both; a loser would rather be liked than admired and is even willing to pay the price of mild contempt for it.

A winner respects those who are superior to him and tries to learn something from them; a loser resents those who are superior to him and tries to find chinks in their armor.

A winner feels strongly enough to be gentle; a loser is never gentle—he is either weak or pettily tyranous by turns.

A winner explains; a loser explains away.

A winner says, "There aught to be a better way to do it"; a loser says, "That's the way it's always been done here".

A winner paces himself; a loser has only two speeds; hysterical and lethargic.
